## Profile

Dynamic and detail-oriented Junior Front-End Web Developer with a strong foundation in HTML, CSS, and JavaScript, complemented by hands-on experience with modern front-end frameworks like React. Adept at creating responsive, user-friendly web applications with a focus on clean, maintainable code and optimal performance. Passionate about learning new technologies and continuously enhancing skills to build innovative solutions. Proven ability to work effectively both independently and as part of a collaborative team.

## Employment History

### Frontend Web-Developer Intern, QuickPayNG., Barcelona

JULY 2023 – APRIL 2024

- Assisted in the creation and maintenance of front-end code for web applications using HTML, CSS, and JavaScript.
- Gained hands-on experience with frontend frameworks like React, developing reusable components, and managing state using hooks.
- Worked on a project to optimize website load times, achieving a 25% reduction in page load speed by implementing lazy loading and optimizing images.
- Collaborated with the design team to convert Figma and Adobe XD mockups into functional web pages.
- Integrated RESTful APIs to fetch and display data dynamically, improving the interactivity and efficiency of web applications.
- Utilized version control systems (Git) to manage codebase changes and collaborate effectively with the development team.
- Created detailed documentation for web components and features, facilitating easy maintenance and future enhancements.

### Wordpress Designer, Fiverr

AUGUST 2017 – NOVEMBER 2023

- Designed and developed a website using WordPress that increased user engagement by 34%.
- Optimized WordPress sites for performance, reducing page load times by 87%.
- Collaborated with clients to understand their vision and requirements, translating them into aesthetically pleasing and functional websites.
- Implemented responsive design techniques to ensure optimal viewing experiences across various devices and screen sizes.
- Conducted user testing and troubleshooting to identify and fix bugs and issues, ensuring a seamless user experience.

## Education

### Master of Business, C3S Business School, Barcelona

MARCH 2022 – MAY 2024

### Bachelor of Engineering, Madonna University, Enugu

NOVEMBER 2008 – JULY 2013
